## **Premium Sport Horses is proud to announce:**

**Joslyn Pretz has been chosen to compete in the  
2008 Extreme Mustang Makeover!**

**\*\*\* Now she needs your help! \*\*\***

Tens of thousands of mustangs are held in feed lots across the nation, preventing overpopulation of the Bureau of Land Management (BLM) grasslands. To promote their adoption and to raise funds for their protection, the Mustang Heritage Foundation organized this exciting event. I am honored to have been selected as one of 200 trainers nationwide to participate in the Extreme Mustang Makeover. I received my mustang June 13 and have three short months to tame and train him prior to the competition from September 18 - 20 in Fort Worth, TX. Following the competition, the mustangs will be auctioned off to support herds of wild horses across the United States.

I have dedicated my time and skills to training the mustang, but I need your help with some of the financial burdens including feed, transportation, veterinary and farrier services, and other expenses. **I hope you will consider sponsoring me in the Extreme Mustang Makeover, ensuring that my mustang and others like him will find good, permanent homes.**

Please join me as I work with my mustang these next few months, turning this untouched, beautiful part of American history into a calm, well-mannered, happy and useful member of the equine community. Watch our progress through updates, photos and videos on our website, and know that you have contributed to this exciting and worthwhile process. I greatly appreciate your support!

Thanks,  
Joslyn
